Sir:

Fees for the present application should be paid at the large entity rate, as evidenced by payment of the application filing fee at the large entity rate. However, the Fee for the Notice of Appeal submitted on December 14, 2004 was inadvertently paid at the small entity rate. Specifically, the small entity fee of \$250 was paid on December 14, 2004 concurrent with submission of a Notice of Appeal. Thus, the deficiency owed is \$250.00. Please charge this deficiency in fees to the Deposit Account No. 50-2207.
